VOLUNTEERING WITH **help2kids** IN TANZANIA

Our volunteering program offers you the unique opportunity to immerse yourself into the traditions of Tanzania, a fascinating country in East Africa. Join a young and dynamic team and experience the work of an NGO in Africa.

GENERAL

help2kids offers you the opportunity to discover the wonders of Africa and to live a unique experience in an aid organization. We have space for up to sixteen volunteers at a time for our projects throughout the year.

REQUIREMENTS

Experience with children is an asset but not obligatory. Tell us your strengths, skills, and interests. We have many projects and need different profiles, talents, and competences. You should be at least 18 years old and willing to stay at least two weeks with us in Tanzania.

We are looking for motivated, flexible, adaptable, open-minded, communicative, and pro-active volunteers who wish to immerse themselves into the African culture and traditions. While volunteering at **help2kids**, we ask that you try to keep an open mind to the new culture around you, as it is likely to be quite different than your home country.

We want all our volunteers to feel welcome and at home while living with us and we are happy to answer questions and offer advice on any issues. Tanzania is a wonderful country, known for its friendly and hospitable people, and although each country has its difficulties, overall, Tanzania is a wonderful place to live. We hope your volunteer experience with **help2kids** will be a rewarding, enjoyable and full of memorable moments.

VOLUNTEERING EXPERIENCE

Be creative and inspirational! If you have any preferences or wishes regarding your work – please let us know. Also tell us what you are interested in or if you have some special skills or knowledge which could be beneficial to our projects.
